

Roselle helps raise more than \$200,000 for Leukemia Research Foundation of Delaware

Congratulations to **Todd Roselle** of Diamond State Financial Group for raising more than \$200,000 in the 2010 Delaware Mud Run. During the 5K race, nearly 700 teams of four run together through an obstacle course that is covered in mud.

Participants from Diamond State included Managing Partner **Chris Burgos**, Recruiter **Stephanie Patterson**, Advisors **Greg Genovese**, **Jarrett Morris**, **Josh Shaver**, **Jon Termonia** and **Andrew Hipple**, and staff members **Melissa Ware** and **Monica Andrews**. Todd helped conceive this idea of providing a fun event to give back to his community. Learn more and see additional photos at delawaremudrun.com.
